

PROTECT YOUR BUSINESS
WITH **CODA CLEAN'S**

SPECIALIZED DISINFECTING SERVICES

COVID-19 has brought a new awareness to the danger that viruses can pose in all types of facilities. It has also created an urgent need for every organization to develop and implement a plan to protect employees and customers.

YOUR TRUSTED PARTNER

Coda Clean has the expertise, equipment, and staff needed to deliver the specialized disinfecting services that can help protect your facilities against the spread of the **COVID-19 coronavirus disease**.

AN UNDERSTANDING OF THE LATEST BEST PRACTICES

Coda Clean's knowledgeable team can help you interpret and navigate the complex, evolving recommendations of industry scientists and government agencies such as the **U.S. Centers for Disease Control and Prevention**.

THE RIGHT TOOLS FOR THE JOB

Our highly trained crews deploy products qualified for use against **SARS-CoV-2** (the virus that causes **COVID-19**) by the Environmental Protection Agency.

AN EMPHASIS ON SAFETY

Safety is always our top priority, and we are committed to creating the safest possible environment for our team, your employees, and your customers. This includes outfitting our own team members with the protective equipment needed to maximize their safety.

SERVICES TO MATCH YOUR NEEDS

We provide disinfecting services for facilities of any size, and we can provide these services on a daily, weekly, or one-time basis.

CLEAR COMMUNICATION IN A CRITICAL TIME

Before we begin the process of disinfecting your facility, our trained professionals will give you a plan that clearly describes our recommended approach. We want you to understand the up-to-date, science-based methods and materials we will use, and to be able to relay this information to your own employees and customers.

As a longtime leader in the field of specialized commercial cleaning, Coda Clean can provide the professional guidance, superior service, and unmatched integrity your business needs in these uncertain and rapidly evolving times.
